

Applewise Fruit Trees

PRICES 2020

Prices start at £17.50 for bare root, maiden (1 year) apple trees, but vary a lot depending on type, variety, age, rootstock and form.

Bare root apple trees are usually between £17.50 and £30.

Bare root pear trees are usually between £19.50 and £30.

Bare root cherry trees are usually between £21.50 and £30.

Bare root damson, gage and plum trees are usually between £21.50 and £36.

Grafted Welsh variety apple trees come in 3-5L containers and start at £17.50 for maiden trees.

More exotic fruits, such as peaches, apricots, almonds and mulberries, are more expensive than apples, pears, plums and cherries. Please contact us to discuss your requirements.

Containerised trees are more expensive than bare root trees and usually start at around £35-£40 for 10-12L container trees.

Soft fruit can be obtained either bare root or in containers. Prices vary considerably depending on the fruit and the size and age. Please contact us to discuss your requirements.
